FARAR ADVENTURES PRESENTS

7–8 Day Golden Triangle Tour of India | Delhi, Agra & Jaipur

Luxury — The same route with space, privacy and time

DURATION	ROUTE	STYLE	PRICE
7 or 8 days	Delhi - Agra - Jaipur	Luxury — hotels, pace and privacy	Quoted for your dates

THE FIXED CORE

Every version of this journey covers the same three cities. The experiences you add are chosen around this core, never instead of it.

DELHI
Arrival and settling-in time, the lanes and market atmosphere of Old Delhi on a walk led by someone who lives there, chai and street-food tastings chosen around your dietary needs, one historic site such as Humayun's Tomb or Qutub Minar, and a hosted meal or cooking evening with a Delhi family.

AGRA
Agra Fort with local storytelling, the Taj Mahal from a suitable viewpoint as the light turns, and an early-morning visit on the following day when entry timing allows. The night in Agra comes before the dawn visit — never a same-morning drive from Delhi.

JAIPUR
Amber Fort, a walk through the old city, Rajasthani food, a hands-on craft session with a maker, and time in Johari Bazaar with people connected to the jewellery trade: how gems are cut and set, what to look at, and the questions to ask before buying. Shopping is optional and no purchase is expected.

THE LUXURY STANDARD

Five-star and heritage properties where the route has them, a private host on the city days instead of a shared group, a second Jaipur experience of your choice, and an extra night in Jaipur on the 7–8 day version so the last days are not a transfer queue.

Hotels — Five-star and heritage properties where they exist on the route, with suite upgrades where available.
Transfers — Private vehicle and driver throughout, plus a private host on the Delhi, Agra and Jaipur days; the long legs on the 13–14 day journey are quoted with flights.
Pace — One extra night in Jaipur on the 7–8 day version, and slower monument mornings instead of a schedule.

- Everything in Deluxe
- A private host on the city days rather than a shared walking group
- A second Jaipur experience — block printing or blue pottery, your choice
- A hosted dinner in a private home, arranged with the family that hosts it
- An extra Jaipur night on the 7–8 day journey, subject to hotel availability for your dates

DAY BY DAY

Day 1 — Arrive in Delhi

Arrive in Delhi and transfer to your hotel with time to settle in. Depending on your arrival, an easy evening walk near the hotel can be arranged — nothing that assumes you slept on the flight.

From Delhi airport - to Delhi - Stay: Standard hotel, Delhi

Airport transfer and check-in timing are confirmed with your flight details.

Day 2 — Old Delhi lanes, chai and street food

A locally led walk through Old Delhi's lanes and market atmosphere, with chai and carefully selected street-food tastings. Dietary needs and spice preferences are agreed before the walk, and the route is adjusted to what is fresh and busy that morning.

From Delhi - to Delhi - Stay: Standard hotel, Delhi

Tastings are chosen with dietary requirements in mind; tell us about allergies in advance.

Day 3 — Delhi's history, then a hosted meal — and on to Agra

A Delhi historic site such as Humayun's Tomb or Qutub Minar, balanced with time in the neighbourhoods around it, followed by a hosted meal or cooking experience with a Delhi family. Transfer to Agra in the evening, so the next morning starts where the Taj is.

From Delhi - to Agra - Stay: Standard hotel, Agra

The drive to Agra is scheduled after the meal; the exact departure depends on the day's site timings.

Day 4 — Agra Fort, and the Taj at sunset

Agra Fort with local storytelling — the Mughal court, the river below and the story of the fort before the Taj. In the late afternoon, the Taj Mahal from a suitable viewpoint as the light turns, with the early-morning visit kept for tomorrow.

From Agra - to Agra - Stay: Standard hotel, Agra

Viewpoint and entry timing follow the monument's opening hours and the day of the week.

Day 5 — Taj Mahal at dawn, then Jaipur

An early visit to the Taj Mahal when entry timing allows, back to the hotel for breakfast, then the drive to Jaipur. The evening is free — the first of the Jaipur days starts fresh the next morning.

From Agra - to Jaipur - Stay: Standard hotel, Jaipur

The dawn visit is subject to the monument's timing on your date; the drive to Jaipur follows breakfast.

Day 6 — Amber Fort, the old city and a maker's workshop

Amber Fort in the morning, a walk through Jaipur's old city, Rajasthani food, and a craft encounter with a maker — block printing, blue pottery or miniature painting, depending on who is working that week. The point is to take part, not to watch.

From Jaipur - to Jaipur - Stay: Standard hotel, Jaipur

Day 7 — Johari Bazaar, and the choice of a night under open sky

Time in Johari Bazaar with locals connected to Jaipur and its jewellery trade: how gems are cut and set, what to look at, and the questions to ask before buying anything. Shopping is entirely optional and no purchase is expected. In the evening, take the optional village visit and open-sky night near Jaipur, or return to the hotel as usual.

From Jaipur - to Jaipur or the village near Jaipur - Stay: Standard hotel, Jaipur — or the optional village stay

The village night runs weather permitting, with facilities, host invitation and return transport confirmed beforehand.

Day 8 — An unhurried Jaipur morning, then Delhi

A slow breakfast and a last Jaipur morning before the drive back to Delhi, with the airport buffer agreed around your flight. The seven-day version of this journey uses this day as the transfer and departure day instead.

From Jaipur - to Delhi

The airport buffer is set from your actual flight time, not assumed.

BEFORE YOU DECIDE

Standard hotels, and one optional night outdoors

Every night is a standard hotel unless you choose otherwise. The optional village night near Jaipur replaces that one hotel night, weather permitting, and only once the host invitation, washing and toilet facilities, sleeping arrangements and return transport are confirmed. If you would rather not, the Jaipur hotel is booked as normal.

Festivals and weddings are not attractions

A festival night can be requested when a relevant festival falls within your dates and local arrangements are available — attendance is never guaranteed. A traditional wedding celebration is only ever a possibility if a family explicitly invites guests; it is not a service we sell, and it is never promised or staged.
