FARAR ADVENTURES PRESENTS

14-Day India Tour: Golden Triangle, Rishikesh & Varanasi

Luxury — The same route with space, privacy and time

DURATION	ROUTE	STYLE	PRICE
13 or 14 days	Delhi - Agra - Jaipur - Rishikesh - Varanasi	Luxury — hotels, pace and privacy	Quoted for your dates

THE FIXED CORE

Every version of this journey covers the same three cities. The experiences you add are chosen around this core, never instead of it.

DELHI
Arrival and settling-in time, the lanes and market atmosphere of Old Delhi on a walk led by someone who lives there, chai and street-food tastings chosen around your dietary needs, one historic site such as Humayun's Tomb or Qutub Minar, and a hosted meal or cooking evening with a Delhi family.

AGRA
Agra Fort with local storytelling, the Taj Mahal from a suitable viewpoint as the light turns, and an early-morning visit on the following day when entry timing allows. The night in Agra comes before the dawn visit — never a same-morning drive from Delhi.

JAIPUR
Amber Fort, a walk through the old city, Rajasthani food, a hands-on craft session with a maker, and time in Johari Bazaar with people connected to the jewellery trade: how gems are cut and set, what to look at, and the questions to ask before buying. Shopping is optional and no purchase is expected.

THE LUXURY STANDARD

Five-star and heritage properties where the route has them, a private host on the city days instead of a shared group, a second Jaipur experience of your choice, and an extra night in Jaipur on the 7–8 day version so the last days are not a transfer queue.

Hotels — Five-star and heritage properties where they exist on the route, with suite upgrades where available.
Transfers — Private vehicle and driver throughout, plus a private host on the Delhi, Agra and Jaipur days; the long legs on the 13–14 day journey are quoted with flights.
Pace — One extra night in Jaipur on the 7–8 day version, and slower monument mornings instead of a schedule.

- Everything in Deluxe
- A private host on the city days rather than a shared walking group
- A second Jaipur experience — block printing or blue pottery, your choice
- A hosted dinner in a private home, arranged with the family that hosts it
- An extra Jaipur night on the 7–8 day journey, subject to hotel availability for your dates

Day 7 — Johari Bazaar, and the choice of a night under open sky

Johari Bazaar with locals connected to Jaipur's jewellery trade: how gems are cut and set, how to browse, and the questions to ask before buying. Shopping is optional and no purchase is required. In the evening, the optional village visit and open-sky night near Jaipur, or the hotel as usual.

From Jaipur - to Jaipur or the village near Jaipur - Stay: Standard hotel, Jaipur — or the optional village stay

Weather permitting, with facilities, host invitation and return transport confirmed beforehand.

Day 8 — An unhurried Jaipur day

A slower day in Jaipur — the extra day that the thirteen-day version gives up. Nothing fixed: markets, a café, a monument you missed, or simply rest before the long transfer north.

From Jaipur - to Jaipur - Stay: Standard hotel, Jaipur

Day 9 — Jaipur to Rishikesh

A full travel day from Jaipur to Rishikesh. The mode and timing are confirmed with your dates; the evening is left free after the journey.

From Jaipur - to Rishikesh - Stay: Standard hotel, Rishikesh

Intercity transport is quoted and confirmed before sale.

Day 10 — Rishikesh — river, town and aarti

River and foothill time, a walk through town with locals, and respectful Ganga aarti viewing in the evening. A gentle yoga or meditation session can be arranged on request.

From Rishikesh - to Rishikesh - Stay: Standard hotel, Rishikesh

The aarti is a religious observance, viewed respectfully and without blocking worshippers.

Day 11 — Rishikesh to Varanasi

A long transfer day to Varanasi by the connection confirmed for your dates. The evening is kept free, with the ghats within reach the next morning.

From Rishikesh - to Varanasi - Stay: Standard hotel, Varanasi

This is the longest journey on the route; the thirteen-day version depends on it being verified for your dates.

Day 12 — Varanasi at dawn — the boat, the ghats and the lanes

A dawn boat ride on the Ganga, subject to river, weather and operator conditions. Later, the ghats and old lanes with locals, and a neighbourhood or craft visit.

From Varanasi - to Varanasi - Stay: Standard hotel, Varanasi

If conditions do not allow the boat, the morning continues on the ghats and in the lanes instead.

Day 13 — Varanasi — a slower day and aarti

A quieter day: the parts of the old city you want to return to, craft or food with a local host, and respectful aarti viewing in the evening.

From Varanasi - to Varanasi - Stay: Standard hotel, Varanasi

Day 14 — Depart from Varanasi, or return to Delhi

Departure from Varanasi, or the transfer back to Delhi for an international flight — whichever your connection makes sensible. The buffer is agreed around your actual flight time.

BEFORE YOU DECIDE

Standard hotels, and one optional night outdoors

Standard hotels on a twin-sharing basis throughout. The one optional village night near Jaipur replaces that Jaipur hotel night and runs weather permitting, with facilities, host invitation and return transport confirmed first. Decline it and nothing else about the journey changes.

The river decides some mornings

The Varanasi boat ride depends on the river, the weather and the boat operator's conditions on the day. If it cannot run safely, the morning continues on the ghats and in the old lanes with your host — we will not substitute a promise for a boat.

The village night runs weather permitting, and only once the host invitation, facilities and return transport are confirmed. A festival night is never guaranteed. A traditional wedding is only ever possible if a family explicitly invites guests — it is not a service we sell.
